## **MADE WITHOUT PFAS DECLARATION**

As a global leading manufacturer of silicone-based adhesives, sealants and coatings, hybrid adhesives, and PVC foam, it is Novagard's goal to provide sustainable product solutions and provide responsible ESG feedback to our business partners.

Novagard is committed to protect the environment and complies with applicable environmental regulations. We understand that PFASs are persistent and bio-accumulative in the environment and generate adverse effect on human health. Therefore, we are committed to continuously monitoring and improving our material compliance process to ensure our products are compliant with ongoing legislative effort in PFAS.

To the best of our knowledge, based on our knowledge of our production process and the raw materials used, we hereby declare that our products do not contain any intentionally added PFAS chemicals. However, we do not routinely analyze our products for these substances nor do we require our raw material suppliers to do so.
